NOTIFICATION OF THE SOCIAL IMPACT ASSESSMENT
(SUB SECTION 1 of SECTION 4)

Lakshadweep Administration intends to acquire the following land for a public purpose as stated below, as per the relevant provisions of the 'The Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act, 2013 for which Social Impact Assessment study has to be undertaken for the affected area as per Section 4 of the said Act read with Sub rule 1 of Rule 3 of the Right to Fair Compensation and Transparency in Land Acquisition Rehabilitation and Resettlement Rules, 2014.

1	Project Developer	Public Work Department, Lakshadweep
2	Brief Description about purpose of proposed acquisition of land	<p>Land acquisition for the construction of Lakshadweep House, Annex (Raj Nivas) and connecting road. The proposed acquisition of land for the development of Lakshadweep House Kavaratti and connecting road around the house is of the nature of public purpose as it involves the establishment of a proper office set up for the Hon'ble Administrator, UTLA and for the VVIPs visiting Lakshadweep on official purpose.</p> <p>The present building of Lakshadweep House does not cater to the above official requirement as well as the necessary security requirements. Moreover, it is required to have a proper accommodation and office set up for the head of the UT like what is present in other states and UTs across the country.</p> <p>At the same time, the public is also facing inconveniences passing through the middle road passing through the complex of Lakshadweep House many times due to security arrangement which are made during the visit of VVIPs and VIPs. Accordingly</p>

		there is requirement to divert the middle so as to enable the public to reach the beach road passing though the western end of the Island.
